

## **Please Join Us!!**

The Glenville Hill Fire District No. 8 Building Improvement Committee has been exploring several options to address deficiencies with the present firehouse. As we continue to conduct public forums we encourage community resident involvement and thank all those who have attended recent informational forums.

**The next Public Forum is Thursday, Dec. 7th  
7:00 pm at your firehouse—1086 Church Road**

Come listen where we are headed. Bring a neighbor.

We are excited to share our progress!!
